

Dear Members,

I'm sure you have heard of the disaster in Haiti and want to help. I want to tell you how your contribution can stay within the credit union system.

CU aid ([www.cuaid.coop](http://www.cuaid.coop)) is the national online giving center for credit unions. All contributions are directed to the National Credit Union Foundation (NCUF) Disaster Relief Fund. The donations made to the Foundation's Disaster Relief Fund will be disbursed through the credit union leagues or state foundations for use at the local level.

Your generosity will enable the credit unions to re-open their doors and provide critical financial services and resources to their members and communities they serve to help them rebuild their lives and provide for their families.

The donations will be used to ensure that the credit unions are able to function and will also provide humanitarian aid to the credit union and league staff in the affected communities, in short, where it will be needed most.

Updates on the Foundation's Disaster Relief Fund can be found at [www.cuaid.coop](http://www.cuaid.coop).

Please know that your contribution will make a difference in the lives of those affected by this tragic event. Thank you for your support at a time when it is needed most.

Sincerely,  
Niagara County's Federal Credit Union
